

Euro Canadian Construction a finalist for two Ovation Awards

Euro Canadian Construction Corp. has been named a finalist in two categories at the upcoming

Ovation Awards, which recognize excellence in the local residential construction industry, and are handed out by the Greater Vancouver Home Builder's Association.

With 45 years of experience in the construction industry, Euro Canadian

Construction is a member of the GVHBA, Canadian Home Builders'

Association, Better Business Bureau, RenoMark program, National Home Warranty and Home Owner Protection Branch.

They are celebrating being named in a finalist in Best Kitchen Renovation \$100,000 and Over

and Best Townhouse/Condominium Renovation for their English Bay Condo.

The team at Euro Canadian Construction specializes in new construction, renovation, custom homes, general contracting, design-build, project management and

Euro Canadian Construction prides itself on building and maintaining relationships with clients, and will often see repeat projects as a client's family grows or they decide to downsize. They have built a reputation for honesty and trustworthiness, and continue

Building custom homes that exceed clients expectations.

to be known as one of B.C.'s best home builders. They are conscientious and highly qualified individuals who embrace excellence as a core value and who genuinely love what they do.

Euro Canadian Construction notes that a job is never

finished, and will supply all of their clients with life-long maintenance and continuously act as a liaison for the homeowner. Each client's needs and budget are taken into account and the design and project is tailored accordingly.

maintenance, and as a boutique builder, only takes on a few projects per year. This ensures homeowners receive a unique experience that incorporates their individual needs and vision through extraordinary service.
